**BOARD MEETING** Wednesday, August 3, 11 a.m. All officers and Board members are urged to attend because we have a lot to discuss. There will be pizza!

**MONTHLY BUSINESS MEETING** Wednesday, August 3, 1-2:30 p.m. Please come to meetings and see what we have going on, help us plan our fall activities and programs. Let us know what you would like to see (and do) in the way of programs, classes, etc. New members and guests are especially welcome. Volunteers are always needed and training is available. Want to teach or take a class, or host a demonstration or Artrageous program? Let us know!

**RECEPTION** Friday, August 5, 4-6 p.m. Come and meet our featured artists, mingle with members and friends, and admire the new art that went on display July 7. And of course nibble on some light refreshments! (Members please bring your goodies to share.)

**NO MONTHLY PROGRAM THIS MONTH.** The July program was presented by 15-year-old Asher Chung and featured 3-D printing. Asher showed his two printers and some of the objects he has made, discussed types of printers and materials as well as relative cost, and answered the many questions we had about the process. Many thanks to Asher for an excellent program, and to Phyllis Stapp for arranging it!

**SUMMER YOUTH PROGRAM:** our summer program was a great success, with good enrollment and some really amazing work done by the kids! There will be a full report from the Youth Committee at the August 3 business meeting. (note you may view some pictures [HERE](#))

**PORTRAITS IN GRAPHITE** will be taught by Phyllis Stapp from 5:30-7 p.m. on three consecutive Thursdays beginning August 11 and continuing the 18th and 25th. Call or come by the gallery to sign up—\$20.00 for all 3 sessions, supplies included!
