This class builds on the skills and practices learned in the Introduction to Oil Painting class, but the Intro class is NOT a prerequisite. Some painting experience is desirable but not required. In this class we will explore new techniques and concepts, such as:

- Palette knife work to add texture and interest
- Abstract painting
- Monochrome painting using only one color (study of the variety of values and tones to be found in one color)
- Using a grid to enlarge or reduce a photograph or other picture
- Different techniques for different subjects
- How to make our work interesting through composition and planning
- And more!

Class is limited to 8. Pre-registration required to hold your spot. **A \$20 non-refundable deposit is required by April 20, 2023.**
